- **Who is Food On Demand?**  
Food On Demand connects the foodservice industry's mobile ordering and delivery pacesetters and covers the ongoing transformation of how consumers discover, shop, order and consume food in a digital age.  
Food On Demand publishes a weekly e-newsletter, produces timely webinars and white papers, and hosts the annual Food On Demand Conference that is the industry's premier in-person event. The Food On Demand Conference examines new technologies and business models and the latest trends in consumer behaviors, preferences and expectations.
