ABOUT FPI

WHO WE ARE

The Foodservice Packaging Institute (FPI), the leading authority for the North American foodservice packaging industry, encourages the responsible use of all foodservice packaging through promotion of its benefits and members' products. Serving as the voice of the industry to educate and influence stakeholders, FPI provides a legal forum to address the challenges and opportunities facing the foodservice packaging industry.

OUR MEMBERS

FPI includes approximately 90% of the entire industry in North America. Its core members are foodservice packaging manufacturers and their raw material and machinery suppliers.
